CHATAIGNE'S DIRECTORY

—OF THE—

Streets, Houses and Occupants OF THE CITY OF NORFOLK FOR 1894.

Arranged Alphabetically and Numerically, with Occupant's Name after each House.

NOTE.—Blanks after numbers signify that such are vacant. Dash (—) before the names denote the house should have a number between the one preceding and following it.

There are hundreds of duplicate and incorrectly numbered houses in Norfolk and it is hoped the Council will pass an Act requiring their re-numbering before the next issue of the Directory.
